4th Grade to Give Up Drinks for Clean Water

The 4th graders are taking part in a different kind of fundraiser. Instead of raising money for themselves, they are raising money for people they will likely never meet, who live in places they will likely never visit, and whose life challenges they will likely never experience. Starting this past Tuesday, for two weeks the fourth grade will take part in a program known as The Water Challenge. This fundraiser benefits people in Africa who don't have access to a sustainable water supply.

The Water Challenge participants forgo all non-water beverages and diverts that money from personal consumption to a donation to the work of The Water Project. The Goal? Each participant raises enough to bring clean water to one person, or about \$23. For more information, visit www.thewaterproject.org.

Parents' Night Out! Parents, come join us at the **Hoboken Ale House (1034 Willow Avenue) on Fri, February 26th, from 8-10pm**. Cost is \$20 Admission, which includes one free drink and a wristband to get drink specials starting at \$2. This event includes Live Entertainment featuring Undercover band (with HoLa parent Guy Gettens) and a comedian during intermission.
