Mon, Sept 19 at Jefferson Street
gym, 6:30pm

Middle School Back to School
Night - Tues, Sept 27, Garden St fl.
4, 6:30pm

*3rd graders teaching colors to
Kindergarten students*

"Selfie con un twist"

From the Director

It has been so wonderful to see all of our students back at school this week — we've missed them! This summer was a very busy one behind the scenes, as we have tackled a variety of projects (new report card format, revised Scope & Sequence, new language arts handbook, tons of professional development, upgraded office and meeting spaces, new Middle School library...) and added some new key roles to the staff.

We are thrilled with the team and the educational plan we have in place for this year, we can't wait to dig in and get started! I look forward to seeing all of you over the coming weeks, and to sharing all of our updates at Back to School Night.

Here's to a fabulous year at HoLa!
Jen Sargent

Welcome to the Team

This year, we have added a few additional roles on staff, which will support our students' educational experience in a variety of ways.

In our Elementary school, we have added a role of **Dean of Students / Family Liaison** (Srta. Rodriguez), who will be working to develop a warm and structured school environment, as well as helping teachers, administrators and parents to support students. Srta. Alvarez has shifted into a new dual role this year. She will be serving as an additional **Special Education Teacher** dedicated to working solely with our Elementary students, as well as **Literacy Coach** for classroom teachers in our lower grades. We now have an **Immersion Coordinator** (Srta. Fernandez) to support our teachers in implementing best immersion practices schoolwide through professional development, identification of resources, coaching and the development of consistent school-wide practices and protocols aligned to our mission.

We kicked off the school year with a Middle School Assembly,
