

## NOTICIAS DE LA SEMANA:

**Annual Appeal:** Please consider making a donation to HoLa as part of your year-end giving plans (see appeal letter/form attached). Our wonderful school is growing and we need your support as we build new classrooms and develop the program! Donations can also be made at [www.holahoboken.org](http://www.holahoboken.org).

**New Curriculum Theme:** Our new curriculum theme—Nuestros Sueños—began this week, along with the corresponding weekly “special” class. Students will be working with local artist [Ricardo Roig](#), whose work is displayed in restaurants and shops throughout town and has been showcased in local galleries. The students will be working with a variety of media to create surrealist “dreamlike” artwork. A final showcase of students’ work will be used to create a surrealist gallery walk-through.

**Emergency Drills:** As a public school, HoLa is required to conduct one fire drill and one emergency drill per month. For fire drills, the alarm sounds and students practice walking outside with their class; for the emergency drills, a code word is broadcast over the loudspeaker and students stay in the classroom to practice classroom emergency mode. A fire drill was conducted today, and an emergency drill will be conducted one day next week, to ensure that we are in compliance for December.

**Enrichment:** Enrichment notifications were sent home this week. If you didn’t receive yours, please contact [enrichment@holahoboken.org](mailto:enrichment@holahoboken.org). There are still a few spots open in the following classes: Guitar, Bricks For Kids, Drawing, Sign Language, Celtic Art, Photography and Mandarin; please email asap if you are interested. You now have the option to **pay online** with a credit card or Paypal at [www.holahoboken.org](http://www.holahoboken.org) (under Enrichment payments). You may also submit a check via your child’s backpack. Please make your check out to “HoLa Hoboken” and in the memo section write “Enrichment”. **Please remit payment by December 21<sup>st</sup>**, otherwise your spot may be given to a waitlisted student.

**Bootcamp Kids Class Update:** The all-HoLa class at Bootcamp Kids announced last week has been changed to Wednesdays (updated flyer attached). The class will include a combination of warm-ups, exercises and games to keep children active and entertained. Parents are responsible for transportation to/from the site, and payment must be made directly to Hoboken Bootcamp. If you would like to sign your child up, please email [ngoldhamer@holahoboken.org](mailto:ngoldhamer@holahoboken.org) or [soniapetrocelli@gmail.com](mailto:soniapetrocelli@gmail.com).

**HoLa Store:** All HoLa logowear orders were sent home Thursday in students’ backpacks; at this point all orders have been fulfilled except for several that have credits from 2011 (these parents have been emailed directly). To redeem a credit or to place an order for an in-stock item that you would like to receive before holiday break—or if you believe there was a mistake in your order—please contact [store@holahoboken.org](mailto:store@holahoboken.org) right away. **NEW Item** - HoLa Embroidered caps in youth (\$10) and adults (\$12) sizes in Khaki or Black; also HoLa Totes (\$5); HoLa Sharpeners (\$3); HoLa Red and Teal Pencils (\$1 pair); HoLa Pencil Boxes (\$5)

**Staff Appreciation Cookie Exchange:** Thank you to all of the bakers and volunteers who helped make the Cookie Exchange a success! Yesterday, the HoLa faculty received a buffet of treats & tea for their staff meeting. In addition, each staff member received a box of delicious cookies and sweets to take home, an HoLa t-shirt, and a new Keurig coffee pot for the staff lounge. **The biggest thanks of all goes to our HoLa staff for all of their hard work!**

**Coat Drive:** HoLa students collected over 126 coats during this year’s coat drive, benefiting NJ Cares. The coat drive has now concluded. Special thanks to Lynn Danzker for organizing again this year and to Melina Jondée for helping bag and store all of the coats! You might have also noticed the write up in the Hoboken Reporter this weekend in the briefs section [Click Here](#).

Dear HoLa Families:

On behalf of the Board, I am pleased to announce the opening of the Second Annual Appeal, and would like to warmly thank our wonderful school community for making last year's appeal such a success. We are proud to report that HoLa raised over \$75,000 in donations during last year's inaugural school year and we hope to surpass that amount this year. **Our goal is to raise \$100,000 by June 30, 2012. We are asking you – our families – to assist us in reaching this goal.** We are also separately pursuing support from others in our community, philanthropic organizations and corporations.

As you may know, charter schools do not receive facilities funding from the state, unlike traditional public schools. They also receive less per-pupil funding than district counterparts. As a growing school, we must seek outside funding to finance our physical expansion, particularly in these early years.

In addition, this year has brought a major change. We are thrilled to welcome Elizabeth Willaum—New Jersey's foremost expert on dual-language education—as our Interim Director. One of the original inspirations for the creation of HoLa, Ms. Willaum is now leading us into game-changing territory. Already, Ms. Willaum has identified several key areas for development of our program that will enhance our mission, and secure our success for years to come.

Some of these exciting initiatives require additional resources, beyond what was originally budgeted for. While a growing population means greater financial strength in coming years, we are still, in our second year, working with a budget based on our current size. Making bold investments today on our rigorous academic ambitions means that we can immediately begin to take advantage of the opportunities before us.

Among these initiatives are additional resources for the classrooms, as well as additional professional development for the teachers. We would also like to put into immediate use our new, as-yet uncompleted, classrooms to offer our teachers the flexibility to create small group instruction cohorts that can target instruction for students who are struggling in certain areas, as well as to create additional space for students who are ready to soar. And of course, we are eager to build a resource library of literature in both Spanish and English to benefit all of our students.

**We hope you will consider giving now and giving big, as an investment in our growing school.**

Please consider making a donation today. You may submit checks payable to “HoLa Hoboken” (please write “Annual Appeal” in the memo line) and return it in the attached envelope in your child's folder, drop it off at the office or mail it back. You can also donate online at [www.holahoboken.org](http://www.holahoboken.org) by using a credit card or your PayPal account.

As HoLa is a tax exempt public charity under Section 501(c) 3 (EIN # 27-1261831), your contribution will qualify as a charitable deduction for federal income tax purposes. Please consult your tax adviser or IRS to determine if your contribution is deductible based on your personal circumstances. If you believe your gift would qualify for a matching gift from your employer, please include your company's form and any special instructions.

If you have any questions or would like to discuss the Annual Appeal efforts in more detail, please feel free to reach out to Anthony Oland, Annual Appeal Chair, via email at [anthonyoland@hotmail.com](mailto:anthonyoland@hotmail.com), or by phone at 201.562.7047. As always, please feel free to continue to reach out to me with any other questions, comments or feedback.

We realize everyone's financial situation varies and we encourage you to make a donation that's right for you. Your contribution will make a meaningful difference to the students who benefit from HoLa's unique and exceptional educational experience.

Sincerely,

Jen Hindman Sargent

To Whom It May Concern  
Re: Matching Gift Program

I, \_\_\_\_\_, am making a donation to HoLa Hoboken Dual Language Charter School and will be applying for a matching gift through the matching gift program. I am providing some information about the charity that I am supporting to assist with any questions that you may have:

**What is HoLa?**

Hoboken Dual Language Charter School (HoLa) is a dual language charter school that offers a traditional core curriculum through instruction in both Spanish and English to children of all language backgrounds. The program utilizes the well-established Two-Way Immersion approach to dual language education with an emphasis on the arts and experiential learning. HoLa students become bilingual and biliterate in an academically rigorous, culturally diverse and nurturing environment. After a rigorous application process, NJ Education Commissioner Lucille Davy approved the Hoboken Dual Language Charter School (HoLa) on September 22, 2009. HoLa opened its doors to students in grades K-2 in September 2010; a grade will be added each year until the school reaches K-5.

**What is a Charter School?**

Created by state law, charter schools are an example of a public/private partnership designed to enhance educational opportunities for public school students. State charter school laws and policies vary widely. Charter schools do not charge tuition and are, for the most part, open enrollment, nondiscriminatory, nonsectarian educational institutions. They are funded primarily by per-pupil allocations from the chartering agency (in HoLa's case the Hoboken district). HoLa currently receives only a portion of the funding provided to local district schools, and, unlike local district schools, HoLa must pay for facilities out of their operating budget.

Charter schools are considered public schools. What is different is that charter schools generally are not operated directly by the public school district but under a separate charter, a contract with a state or local agency that provides them with public funds. The charter sets forth essential conditions for which the school will be held accountable but leaves the implementation of these terms to the charter school's board of directors. This frees the charter school from a number of regulations that otherwise apply to public schools and leaves room for innovation and experimentation.

There are several different operational models for charter schools. In some states, these schools are under the direct control of the school district. The school district contracts directly for management and educational services. Some states require a separate entity to run the school. For-profit as well as non-profit entities may be eligible to apply for a charter. State law may or may not require that the chartering organization be tax exempt under IRC 501(c)(3). HoLa operates as a separate tax exempt entity.

**What is HoLa's tax status?**

HoLa is a tax exempt public charity under Section 501(c)3, and as such, all contributions to HoLa qualify as a charitable deduction for federal income tax purposes to the fullest extent allowed by IRS and donor circumstances.

**What is HoLa's Tax identification number?**

HoLa's tax identification number is 27-1261831.

**Who is the HoLa contact for additional information?**

Anthony Oland, Chair of Annual Appeal, [anthonyoland@hotmail.com](mailto:anthonyoland@hotmail.com) or 201.562.7047.

**Who is the contact to confirm the gift received by HoLa?**

The contacts to confirm gifts received are Gail Long, School Business Administrator [glong@holahoboken.org](mailto:glong@holahoboken.org) and Rosita Nuñez, Business Manager [rnunez@holahoboken.org](mailto:rnunez@holahoboken.org). Gail Long and Rosita Nuñez can also be reached at (201) 427-1458.

Estimadas Familias de HoLa:

A nombre del Consejo de Administración, me complace anunciar la apertura de la segunda Petición de Fondos Anual, y agradecerle a nuestra maravillosa comunidad escolar el gran éxito de la petición del año pasado. Estamos orgullosos de anunciar que HoLa recaudó más de \$75.000 en donaciones el año pasado, y esperamos superar esa cantidad este año. **Nuestro objetivo es recaudar \$100.000 antes del 30 de junio de 2012. Les solicitamos a ustedes—a nuestras familias—que nos ayuden a alcanzar este objetivo.** Además, seguimos solicitando apoyo a otras entidades en nuestra comunidad, tanto como a varias organizaciones y corporaciones filantrópicas.

Como tal vez usted sabe, las escuelas charter no reciben fondos del estado para el edificio que alquilamos, a diferencia de las escuelas tradicionales públicas. También recibimos menos fondos por alumno que nuestros contrapartes del distrito. Por lo tanto, como escuela creciente, debemos solicitar por otros medios los fondos que necesitamos para financiar nuestra expansiones físicas, particularmente en los primeros años.

Además, este año ha traído unos cambios importantes. Estamos contentos que esté con nosotros Elizabeth Willaum— una formidable experta de Nueva Jersey en la educación de doble idioma—como nuestra Directora Provisional. Ella fue una de las inspiraciones originales para la creación de HoLa, y ahora la Sra. Willaum nos ayudará a alcanzar nuestra potencia. La Sra. Willaum ya ha identificado varias claves para el desarrollo de nuestro programa que aumentará nuestra misión, y asegurará nuestro éxito durante muchos años.

Algunas de estas iniciativas requieren adicionales recursos, más allá del presupuesto original. Mientras una población creciente significa más fuerza financiera en próximos años, todavía estamos en el segundo año, trabajando con un presupuesto basado en nuestro tamaño actual. Hay que invertir ahora para poder aprovecharnos de las oportunidades que están ante nosotros.

Entre estas iniciativas están recursos adicionales para las aulas, y el desarrollo profesional para las maestras/maestros. También nos gustaría poder utilizar cuando antes las aulas nuevas no acabadas para ofrecerles a nuestras maestras/maestros la flexibilidad de crear pequeños grupos de instrucción para poder diferenciar la instrucción mejor, por ejemplo para los estudiantes que tienen dificultades en ciertas áreas, o para los estudiantes avanzados. Además tenemos muchas ganas de construir una biblioteca con literatura y otros textos en español e inglés para el beneficio de todos nuestros estudiantes.

**Esperamos que usted considere donar ahora y dar en grande,  
como una inversión en nuestra escuela creciente.**

Por favor, piense en hacer un donación hoy. Usted puede enviar un cheque pagadero a "HoLa Hoboken" (favor de escribir "Annual Appeal" en la línea de memorándum) y devolverlo en el sobre junto a la carpeta de su niño/niña, lo puede dejar en nuestra oficina o nos lo puede enviar por correo. Usted también puede donar por el internet [www.holahoboken.org](http://www.holahoboken.org) utilizando una tarjeta de crédito o su cuenta de PayPal.

Como HoLa es una caridad pública bajo Sección 501 (C) 3 (EIN # 27-1261831), su contribución calificará como una deducción caritativa para los propósitos de los impuestos federales. Por favor consulte con su consejero de impuestos o el IRS para determinar si su contribución sería deducible basado en sus circunstancias personales. Si cree que su regalo calificaría para un regalo parejo de su compañía, favor de incluir la forma de su compañía y las instrucciones especiales que puede haber.

Si usted tiene una pregunta o desea tener más información con respecto a la Petición de Fondos Anual, favor de comunicarse con el Sr. Anthony Oland, el encargado de esta iniciativa, a través de su correo electrónico, [anthonyoland@hotmail.com](mailto:anthonyoland@hotmail.com), o por teléfono 201.562.7047. Como siempre, se pueden poner en contacto conmigo con cualquier otra pregunta.

Sabemos que la situación financiera de cada uno varía y queremos que haga la donación que sea correcto para usted. Su contribución les hará una diferencia significativa a los estudiantes que benefician de la experiencia extraordinaria y excepcional educativa de HoLa.

Atentamente,

Jen Hindman Sargent
