**Music Residency:** We are excited to announce a wonderful music residency that is ongoing at HoLa right now, with the direction of Srta. Alonso. Students will have the opportunity to record the songs they are doing in music class and at the same time they will learn the process of recording and editing music on the computer using professional software like Sonar X1, Sound Forge and WaveLab. The residency will last for 8 weeks. The first 4 weeks are for 3rd and 4th grades, and the next section is for K-2. The final CD will be donated for Sabor de Hola. Photos attached from this week's sessions!

Dear HoLa Families,

By now, you should have received your child's school picture password and seen their proofs online! Many have already placed and received their prints, however for those who have not, there is still time to do so!

**Because we give you the choice of which image you specifically want, even if you pre-ordered your package, you still must log-in to choose the pose you would like for your prints.** If you would like a reminder of what the various packages include, they are all listed under our "Pricing" tab. To see your child's photographs, go to [www.katanaphotography-schools.com](http://www.katanaphotography-schools.com) and click on "Client Proofing." This is where you can type in your individual passwords. Add the pose of your choice into the shopping cart and when you go to check out, you will see a dropdown menu within your cart. Choose the package you desire and it will take you to PayPal. If you pre-ordered, you will want to choose the option marked ***I Pre-Ordered and this is the image I want*** for \$0.

If you need a reminder of your child's password, don't hesitate to contact us at [colleen@katana-photography.com](mailto:colleen@katana-photography.com) and we will send you his or her specific log-in information.

And lastly, to see the class (group) photographs, **the password is HolaClassPictures.** You can view them in the same way, by logging in under Client Proofing with this password.

Your orders will be delivered directly to HoLa within two weeks of your order placement. We will send you an email to let you know when they are on their way and scheduled to arrive at the school so that you can keep an eye out! Thanks so much!

Sincerely,

Colleen Katana
