Arts Update: The 2nd edition of Ms. Lisa's Specials Newsletter is attached separately, and highlights what students have been working on in art, music, PE and the theme-related specials over the past trimester. There are some great photos of student art!

Today is the last day of the 4th curriculum theme "Explorando Melodías," and the next theme, "Pintando y Bailando," will begin on Monday. For the past month, all students have alternated between an exploration of instruments from around the world with teaching artist Mr. Vincent, and hands-on projects with Ms. Lisa during their weekly theme-related special period. In addition to discussing instruments from different global regions, Mr. Vincent demonstrated instruments such as the West African djembe (among many others), and let the kids try them out as well. Meanwhile, Ms. Lisa worked with students to create hand-made maracas, while listening for the instrument's unique sound in Latin music, and learning about the its cultural history, materials traditionally used to create it, and colors and images relating to it.

In their regular weekly art classes, K, 2nd, and 3rd grade students have been working on "Musical Still-Lifes", which are still-life compositions inspired by music in a variety of ways. 1st graders have been creating "cubist musical figures", which are their own life-sized musical cubist figures, inspired by the Picasso's painting "Three Musicians". All classes are also working on group projects to be featured at Sabor!

For the new theme-related special starting next week, K, 1st and 3rd grade students will learn about African dance with teaching artist Yahaya, while K parent and popular Latin dance teacher Alejandra Sapirstein will work with the 2nd grade classes to learn Latin-inspired dance techniques.

Dear Parents/Guardians:

Please find attached the lunch order form for April. Lunches are now being ordered from Revolution Foods on a monthly rather than weekly basis. In order for this process to work more smoothly, we need to set an earlier deadline to receive your orders and change some of our other procedures.

- 1. April lunch order forms are due on March 19.
Please return the lunch form even if you are not ordering lunch. (Check the box in the upper right corner.)**
- 2. Any orders received after March 19 will not be processed.**
- 3. Full payment must be received by March 19,
or we will only order as many lunches as your payment covers.**

We apologize, but there will be no exceptions made.

You must pre-qualify to order lunches at the free or reduced price. If you need any assistance with the necessary forms, please contact the Business Office. Until you are approved, you may only order lunches at the full price.

In addition, please understand that if you have ordered a lunch for a day when your child is absent, you will not be reimbursed for the cost of that lunch, nor may you deduct that from your payment for a subsequent lunch order.
