

NOTICIAS DE LA SEMANA:

Admissions Lottery: The lottery for next year was conducted today, and we will be offering spots to the Kindergarten applicants who were selected. All current HoLa students are of course guaranteed spots for next year, so no need to reapply for students who are currently enrolled. However, please make sure to submit an application for any siblings who are eligible for Kindergarten in September, if you haven't already done so! We have reserved spots for all of the younger siblings we have received applications for to date, and we want to make sure we haven't overlooked anyone. (Don't worry, if you have already submitted an application for a sibling online or in person, you are all set!) If you have any questions, please contact Rosita.

International Dine & Wine, this Sat., Jan. 15th, 6-9pm at the Elks Club (10th & Washington Streets): It's not too late to join us for an evening of great food, culture, and friends—with special jazz performances by our own 1st grade parent, Corinna Kramer. The children's pajama party is now full, but HoLa adults are still welcome to join us for an international dinner. There is no cost to attend, just bring a dish to share (for 10-12 people). If your children are pre-registered for the PJ Party, don't forget to bring them in their pajamas as we have a fun night also planned for them. Questions? Email 1st grade parent, Nieves Jamart, nieves@jamartgaren.com.

Enrichment: Makeup classes for Snakes & Scales and Drawing, which were cancelled because of Wednesday's snow day, have been scheduled for Monday, March 21st.

Class Coffees: Class coffees will resume Friday, Jan. 21st, 7:45-8:45am, starting with class KB (**Srta. Mendez**). Parents are invited to school for a quick cup of coffee in the lunchroom before heading upstairs to observe their student's morning meeting in the classroom. Check upcoming editions of El Semanal for your child's class coffee date, and watch for an email / note from your class parents with more details.

Viridian/HoLa Update: Thanks to the 20 customers who have already said "YES" to green energy! Every new customer who switches to green energy provider Viridian by Jan. 31st will receive an additional 10% savings on their first electric bill, and HoLa will earn a \$10 cash bonus from Viridian. Plus, when we sign up just 5 more customers, HoLa will receive an additional \$250 cash bonus from Viridian! So if you have been thinking about it, get off the fence and start saving money on your energy bill while raising money for your favorite cause. For more information, check our website under "Support Hola" http://holahoboken.org/?page_id=1580. Questions? Contact Lynn Danzker from the Green Team at lynn@thehuntergroupllc.com.
