

Help HoLa! Earn Money!

Fundraising through recycling

EARN FUNDING by simply recycling your empty inkjet and laser printer cartridges and used cell phones.

It's that easy!

Printer cartridge & cell phone recycling: Help HoLa earn funding by donating your used inkjet and laser printer cartridges and used cell phones! That's right~ we're collecting products you probably throw away. Please save your cartridges from the landfill and help us supplement our budget and buy equipment and supplies. Last year alone, more than 500 million cartridges were thrown away, while 30 million cell phones were tossed or replaced. We're alleviating the volume of waste that goes into landfills, while earning the funding we need to keep us running smoothly. Your help is vital to our fundraising success.
