

NOTICIAS DE LA SEMANA:

Happy New Year! Have a wonderful break from school— we look forward to starting another great new year with everyone when we return on Monday, Jan. 3rd.

HoLa Annual Appeal—Paypal is now available! Thank you again to the many families who have already contributed to our annual appeal! Now there is an even easier way to donate—just choose Paypal on the Annual Fund page of our website: http://holahoboken.org/?page_id=231. Donations received before January 1st may be counted as deductions for the 2010 tax year. Little by little, we are getting there!!

HoLa PTO Viridian Energy Fundraiser: Save \$, raise \$ for HoLa and help our environment by choosing Viridian, a GREEN energy company to supply your electricity to PSE&G. You just need your PSE&G bill and 5 minutes. For every new customer that chooses Viridian by 12/31, that customer will receive an additional 10% off the supply portion of their first electric bill. This is in addition to the savings that Viridian already offers. Additionally, HoLa will receive a \$10 bonus for every new customer that switches by 12/31. Flyer with details attached.

www.viridian.com/holahoboken

Admissions Lottery: Don't forget to get your sibling applications in before the public lottery on January 14th, 2011! Siblings of current HoLa students receive preference for admissions, but we need to have application forms in before the lottery so we can reserve enough spots in the appropriate grades for next year! Applications are available online and in school on the bookshelf outside Rosita's office on the 2nd floor.

International Wine & Dine, Sat. Jan. 15th: Don't forget to RSVP for the next big HoLa event, coming up in January! The event is free—just bring a dish of food!— and babysitting/kids movie night is available for a fee. See attached invitation and babysitting waiver for details.

First Grade Science Fair: The 1st grade classes did an amazing job with their first science fair, where each student presented a project based on one of the planets in our solar system. Thank you to students and parents alike for all of your hard work!
